The Honorable Mario Diaz-Balart

Dear Chairman Price and Ranking Member Diaz-Balart:

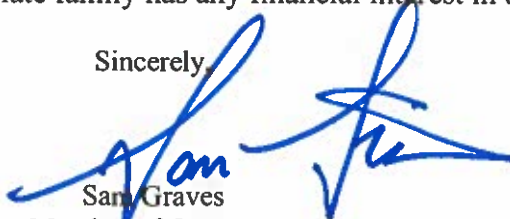

I am requesting \$500,000 in the Department of Housing and Economic Development – Economic Development Initiatives account for the Brunswick Infrastructure Resiliency Project in FY 2023.

The City of Brunswick, Missouri is the Project sponsor for this project. The project is located in Brunswick, Missouri. The recipient's address is 115 W. Broadway, Brunswick, MO 65236.

This project is a valuable use of taxpayer dollars that will spur economic development in the city through resurfacing roads, enhancing stormwater systems, and rehabilitating sanitary sewer systems to increase resiliency against future disasters. This is incredibly important after the Flood of 2019 damaged critical infrastructure in the city and forced local traffic to reroute onto city streets.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
