Dear Chairwoman Pingree and Ranking Member Joyce:

I am requesting funding for the St. Joseph Mainline Sewer Lining in Fiscal Year 2023.

The entity to receive funding for this project is the City of St. Joseph in 1100 Frederick Ave, St. Joseph, Missouri 64501.

The funding would be used to continue to invest in the infrastructure that supports businesses and households' way of life in the city by lining the sewer mains. This type of project is projected to extend the life of the current mainline sewer by 100 years.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
