Dear Chairman Price and Ranking Member Diaz-Balart:

I am requesting \$500,000 in the Department of Housing and Urban Development – Economic Development Initiative account for the Johnson Road Bridge Project in Glenaire, Missouri in FY 2023.

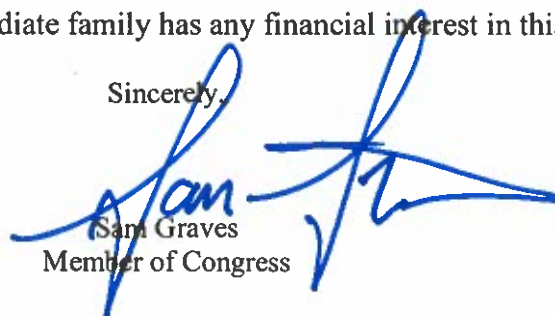

The City of Glenaire, Missouri is the Project sponsor for this project. The project is located on Johnson Road at the south end of the City of Glenaire. The recipient's address is 131 Johnson Rd, Liberty, Missouri 64068.

The funding is designated for the design and construction of new bridge to replace the closed Johnson Road Bridge.

This project is a valuable use of taxpayer dollars that will reopen the only direct access route to the southern end of the City of Glenaire, giving residents of surrounding communities more direct access to the city and promoting economic development of businesses in the city.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
