Washington, DC 20515

RE: Fiscal Year 2023 T-HUD Appropriations Community Project Funding Application from  
the City of Glenaire - Johnson Road Bridge

Congressman Graves,

I am writing in support of Glenaire, Missouri's application for consideration in the Fiscal Year 2023 T-HUD Appropriations Community Project Funding. The Johnson Bridge, located in my district, was closed due to its structural deficiency. Consequently, the small Glenaire community has been divided and the bridge closure has created a delay for Emergency Services to certain areas of the community.

My staff has worked diligently to explore every funding avenue available to Glenaire. Unfortunately, the funding options available to Glenaire are limited for a few reasons. Given the community's small size, it would be near impossible to raise funding through increased taxes. Alternatively, as this is a local road, the bridge does not qualify for most state or other Federal funds. Additionally, Federal emergency dollars for infrastructure to Clay County have already been allocated for other projects.

The Johnson Bridge project is a worthy project that would ultimately re-connect two sides of the Glenaire community. I encourage the Missouri Department of Transportation and Mid-America Regional Council to support this project.

Sincerely,

A handwritten signature in cursive script that reads "Lauren Arthur".

Senator Lauren Arthur

## Clay County, Missouri

Presiding Commissioner, Jerry Nolte

1 Courthouse Square

Liberty, MO 64068

Telephone: 816-407-3600

Fax: 816-407-3641

---

April 19, 2022

The Honorable Frankie Petty  
309 Smiley Road  
Liberty, MO 64068

Mayor Petty:

We are writing to express Clay County's support for the city of Glenaire, Missouri, in your request to obtain Fiscal Year 2023 T-HUD Appropriations Community Project Funding.

Undoubtedly, the closure of Johnson Road bridge is, at best, an inconvenience to the residents of Glenaire. In Missouri, the quality of bridges and roads is vital to our communities. Our communities rely on strong infrastructure, and improved infrastructure is a key driver of economic improvement in the area. To have a good quality of life, we must have bridges and roads in good condition.

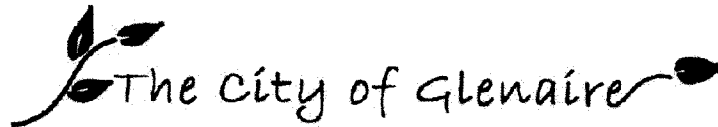

The bridge's reconstruction will allow school buses and emergency vehicles a detour-free route to their destinations, thereby improving services to the residents of Glenaire. Replacing the bridge will reestablish optimal local traffic flow.

We are certain that replacing the Johnson Road bridge is a good use of Federal funds and support it fully.

Sincerely,

Jerry Nolte  
Clay County Commissioner

Let this show the residents of Glenaire, Missouri in support of the rebuilding of the Johnson Road Bridge. It has been closed since January 2021 and divides the North side of Glenaire from the South.
