Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$4 million in the Rural Development, Rural Community Facility Grants account for the Hannibal Regional Innovative Center in Fiscal Year 2023.

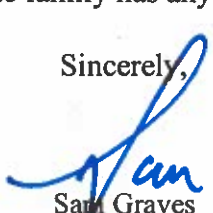

Hannibal School District 60 is the Project sponsor for this project. The project is located at 4417 McMasters Avenue Hannibal, Missouri 63401. The recipient's address is 4650 McMasters Avenue Hannibal, Missouri 63401.

The funding is designated for the design and construction of a new Regional Innovative Campus at the Hannibal Career and Technical Center.

This project is an appropriate use of taxpayer dollars that will allow both existing and new technical programs to be expanded which are desperately needed to address the regional job demand. It will be a state-of-the-art facility that will provide the space needed to educate many more students that are unable to receive technical education due to space limitations and eliminate waiting lists in career and technical programs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Sam Graves  
Member of Congress
