The Honorable Mario Diaz-Balart
House Appropriations Committee
Subcommittee on Transportation
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Price and Ranking Member Diaz-Balart:

I am requesting \$3.325 million in the Grant-in-Aid for Airports (AIP) account for the Kirksville Regional Airport Terminal Project in Fiscal Year 2023.

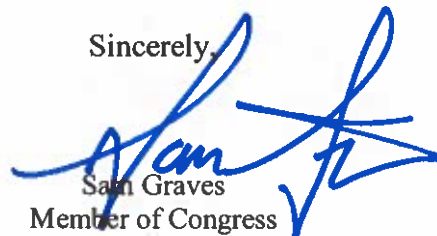

The City of Kirksville, Missouri is the Project sponsor for this project. The project is located at Kirksville Regional Airport, 27161 David Hall Drive, Kirksville, Missouri, 63533. The recipient's address is 2001 N. Osteopathy, Kirksville, Missouri 63533.

The funding is designated for the design and construction of a new airport terminal at Kirksville Regional Airport. The City of Kirksville has committed \$175,000 to support the new terminal project.

This project is an appropriate use of taxpayer dollars that will increase efficiency and safety at the airport. Kirksville Regional Airport currently serves over 10,000 passengers per year and has more than a \$6 million-dollar annual economic impact to the region. The new terminal project will build upon this demonstrated track record of delivering economic development.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress

Date Signed: April 28, 2022
