The Honorable Mario Diaz-Balart
House Appropriations Committee
Subcommittee on Transportation
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Price and Ranking Member Diaz-Balart:

I am requesting \$16.1 million in the Grants In-Aid for Airports (AIP) account for a new Air Traffic Control Tower and Support Facilities at Rosecrans Memorial Airport in Fiscal Year 2023.

The City of St. Joseph, Missouri is the Project sponsor for this project. The project is located at Rosecrans Memorial Airport, 100B NW Rosecrans Road, St. Joseph, MO 64503. The recipient's address is 1100 Frederick Avenue, St. Joseph, MO 64501.

The funding is designated for the design and construction of a new air traffic control tower and support facilities at Rosecrans Memorial Airport. The State of Missouri has already committed \$2.5 million in support of this project.

This project is an appropriate use of taxpayer dollars that will enhance safety for civil aviation. The proposed project will also support the national security mission of the 139th Airlift Wing of the Missouri Air National Guard as well as allied forces who train at the Advances Airlift Tactics Training Center. It will also contribute to further economic growth within the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress

Date Signed: April 28, 2022
