Dear Chairwoman Granger and Ranking Member DeLauro:

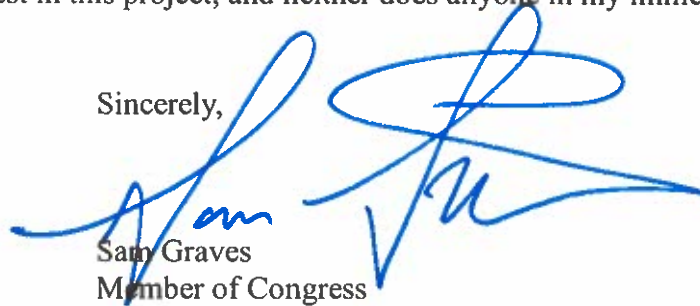

I am requesting funding for Cameron Memorial Airport (EZZ) Improvement project in fiscal year 2024. The entity to receive funding for this project is the City of Cameron, located at 205 North Main Street, Cameron, MO 64429.

The funding would be used to reconstruct the sole runway at Cameron Memorial airport. Durability cracking is currently present across more than 70 percent of the runway surface, necessitating replacement. This project is a valuable use of taxpayer funds because it will ensure the City of Cameron continues to have an operating general aviation airport that supports a number of small businesses in the area, including agricultural sprayers and the local hospital.

The project has a Federal nexus because it is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam Graves
Member of Congress
