The Honorable Rosa DeLauro  
House Appropriations Committee  
H-307 The Capitol  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

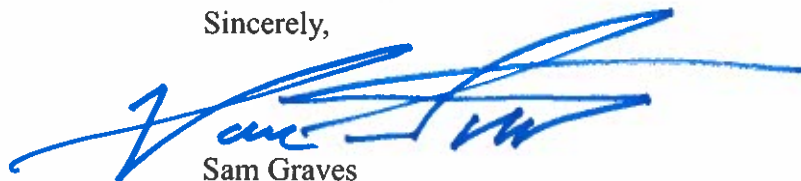

I am requesting funding for the Harrison County MO Public Water Improvement project in fiscal year 2024. The entity to receive funding for this project is the Harrison County Public Water Supply District #2, located at 22209 East Hwy 136, Bethany, MO 64424.

The funding would be used to construct two new water supply wells and a ten-mile transmission line to the existing water plants to allow the County to finally provide enough water to area residents. This project is an appropriate use of taxpayer funds because it will help supply area residents with access to reliable drinking water sourcing and transmission.

The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam Graves  
Member of Congress
