

Harrison County Commissioners

Bethany, Missouri

March 10, 2023

Harrison County Public Water Supply District #2 is seeking funding to construct two new wells and a transmission line to the water treatment plant. This is a necessary investment by the District to continue to grow and make more water available to current, wholesale, and new customers in our community. We understand the importance and the need for this project and support it.

Sincerely,

Harrison County Commissioners

Jim Holcomb

I realize the importance of Harrison County PWSD #2 as the major water supplier in our area. The future growth and prosperity of our community largely depends on the availability of utilities. I support their progressive plans and willingness to continually make more water available to more people.

Regards,

Wes Reger

Harrison County PWSD #2 is a major water supplier in Harrison and Daviess counties. Its previous expansions have given many people throughout our area access to a clean, safe water source. Future growth of our community will definitely depend on the availability of local utilities. We support the District's progressive efforts to make more water available to more people.

Sincerely,

A handwritten signature in black ink that reads "Brian Carter". The signature is written in a cursive style with a large, stylized "B" and "C".
