The Honorable Rosa DeLauro
House Appropriations Committee
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the MO291 from Flintlock Road to 104th Street, Clay County MO project in fiscal year 2024. The entity to receive funding for this project is the Missouri Department of Transportation, located at 105 W. Capitol Avenue, Jefferson City, MO 65102.

This project will expand MO291 to four lanes and add turn lanes from Flintlock Road to 104th Street and would include right of way, utility relocation, addition of ADA facilities, soundwalls, drainage, and intersection improvements. This project is a valuable use of taxpayer funds because it will expand capacity on Missouri 291, reduce congestion, and increase safety and resiliency of this important highway.

The project has a Federal nexus because it is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam Graves
Member of Congress
