Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Northwest Missouri State University Allied Health Sciences Building project in fiscal year 2024. The entity to receive funding for this project is Northwest Missouri State University, located at 800 University Drive, Maryville, MO 64468.

The funding would be used to complete renovations and expand Northwest Missouri State University's allied health sciences building. This project is a valuable use of taxpayer funds because the new community facility will be used to train behavioral and mental health professionals to meet the growing need for these services these professionals provide in North Missouri.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam Graves
Member of Congress
