Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Study for US 63 Shared 4 Lane in Schuyler County MO project in fiscal year 2024. The entity to receive funding for this project is the Missouri Department of Transportation, located at 105 W. Capitol Avenue, Jefferson City, MO 65102.

The funding would be used to begin work for shared four lane in Schuyler County. Improvements include improved safety, asset management, economic growth, and improved mobility. This project is a valuable use of taxpayer funds because it will expand capacity on a stretch of US 63 highway where only two lanes of traffic currently operate, increasing safety and improving asset management, economic growth, and mobility.

The project has a Federal nexus because it is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sam Graves
Member of Congress
