The Honorable Peter DeFazio
Chair
House Transportation & Infrastructure Committee
2165 Rayburn House Office Building
Washington, DC 20515

Dear Chair DeFazio,

I am requesting funding in surface transportation reauthorization legislation for the "Safe Streets and Sidewalks Plan" in Excelsior Springs, Missouri.

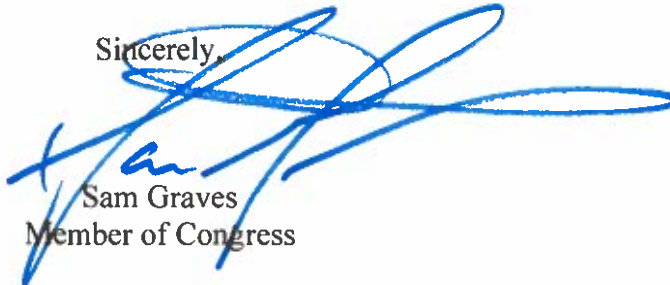

The City of Excelsior Springs is the project sponsor for this project. The project is located in Excelsior Springs, Missouri, 64024.

The funding is designated for the reconfiguration of intersections to improve traffic flow and safety, construction of sidewalks and walkways over US Highway 69, and the installation of traffic signals for pedestrians.

This project is an appropriate use of taxpayer dollars and will improve connectivity in Excelsior Springs. Specifically, this project will improve traffic flow and allow for safer travel, especially for pedestrians.

I certify that neither I nor my immediate family member has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
