The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for a new Air Traffic Control Tower at Rosecrans Memorial Airport in fiscal year 2022.

The city of St. Joseph, Missouri is the Project sponsor for this project. The project is located at Rosecrans Memorial Airport, 100B NW Rosecrans Road St. Joseph, Mo 64503. The recipient's address is 1100 Frederick Avenue, St. Joseph, MO 64501.

The funding is designated for design and construction of a new air traffic control tower at Rosecrans Memorial Airport. Additionally, funding will be used for electrical, communications and security upgrades.

This project is an appropriate use of taxpayer dollars that will enhance safety for civil aviation. The proposed project will also support the national security mission of the 139th Airlift Wing of the Missouri Air National Guard as well as allied forces who train at the Advance Airlift Tactic and Training Center. It will also contribute to further economic growth within the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Sam Graves
Member of Congress
